由香港方濟會教育辦事處推出，以布偶方濟及 Gubi 仔等角色，鼓勵小朋友停課期間，學習在疫症中繼續倚靠天主；布偶方濟亦會帶領小朋友默禱，鼓勵大家與病毒兄弟和平相處。

短片由二零二零年二月十二日起上載網上，每星期約推出二至三條影片，包括抗疫資訊與靈修；從介紹方濟馴狼的故事帶出目前停課抗疫中，學生應持守的信德與價值；短片內容亦帶出天主教教育的核心價值，以傳遞愛、生命、公義、真理與家庭等。

The Franciscan Education Office of Hong Kong published the role of Muppet Francis and Gubi, in order to encourage children to continue to rely on God during class suspension.

The video will be uploaded online from February 12th, and two to three articles will be released every week, including epidemic prevention information and spiritual practice. The story of Francis Wolf Taming will bring out the faith that students need in the current epidemic suspension. The content of the short film also brings out the core values of Catholic education to convey love, life, justice, truth and family.

家長可透過以下頻道觀看抗疫資訊

Parents can watch the epidemic prevention information through the following channels:
